Stanley Cup Playoff Format

Playoff qualification will be primarily Division-based, with the top three finishers in each Division qualifying for the first 12 spots in the Stanley Cup Playoffs (and the first three "seeds" in each Division).
The two additional playoff spots in each Conference, designated as "Wild Cards," will be awarded to the next two highest-placed finishers in each Conference, ranked on the basis of regular-season points and regardless of Division.

"Seeding" of the Wild Card teams within each Divisional Playoff will be determined on the basis of regularseason points. The first-place finisher with the highest number of regular-season points in the Conference will be matched against the Wild Card team with the lowest number of regular-season points, and the firstplace finisher with the second-highest number of regular-season points in the Conference matched against the Wild Card team with the second-lowest number of regular-season points.
The Playoffs will proceed on a "Divisional Basis" as follows:

* #1 vs. #4 / #2 vs. #3 – winners play each other for Division Championship

* Conference Finals – Pacific Division Champion vs. Central Division Champion and Atlantic Division Champion vs. Metropoliton Division Champion.

* Eastern and Western Conference Champions will meet in Stanley Cup Final.

The National Hockey League Players' Association has given its consent to play under this new Alignment and Playoff System for a minimum of three seasons.

Assist — An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played — A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal — After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal — A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average — Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender — A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. — Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus — A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthanded goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal — A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage — Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage — Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage — Divide the number of goals scored by the number of shots taken.

Shorthanded Goal — A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal — If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout — If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second — If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record — A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

** NOTE: No individual skater/goaltender statistics apply for the shootout

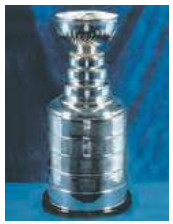
THE STANLEY CUP



The Stanley Cup, the oldest trophy competed for by professional athletes in North America, was donated by Frederick Arthur, Lord Stanley of Preston and son of the Earl of Derby, in 1893. Lord Stanley purchased the trophy for 10 guineas ($50 at the time) for presentation to the amateur hockey champions of Canada. Since 1910, when the National Hockey Association took possession of the Stanley Cup, the trophy has been the symbol of professional hockey supremacy. It has been competed for only by NHL teams since 1926 and has been under the exclusive control of the NHL since 1946.

WINNIPEG JETS TrueNorth FOUNDATION

The Winnipeg Jets True North Foundation serves as the entity through which The Winnipeg Jets Hockey Club performs its philanthropic responsibilities to the Province of Manitoba. It fulfills this obligation by supporting registered charities within our community who focus on providing support to the children of the community so they may lead quality lives and develop into contributing members of society. The Foundation was founded in October of 1996 as the Manitoba Moose Yearling Foundation, which it remained until prior to the 2011-12 hockey season. Since inception, True North's charitable efforts have raised and disbursed over $9 million dollars.

During last year's season, the Foundation was able to direct over $2.3 Million worth of funding to our youth based programming along with other local and non for profits.

Through three continuously growing programs, the Foundation positively impacts the lives of thousands. The Winnipeg Jets Hockey Academy (WJHA) is a play-based program designed to increase school attendance as well as high school graduation rates in socially and economically challenged schools in Winnipeg. Project 11 is an educational program designed to act as a curricular resource for teachers in grades 5-8 supporting positive mental health in the classroom. Camp Manitou is an outdoor program which helps underserved youth develop friendships, camping skills, self-confidence, and increased respect for themselves, the community, and the environment. The goal is to provide accessible and meaningful outdoor education experiences to Manitoba children, youth and community groups.

The Winnipeg Jets True North Foundation operates under the direction of Dwayne Green, Julie Chartier, Murray Cobb, Rick Bochinski, Heidi Fingas, Kait Flett, Suzi Friesen, Jeff Hofer, Corey Coker, TJ Trouba, Marcus Hoch and Mackenzie Scharf in partnership with a dedicated Board of Directors.

PROJECT 11

11

The Winnipeg Jets True North Foundation is working in collaboration with a variety of organizations to develop a program that increases awareness surrounding positive mental health coping skills. Project 11 is a curricular support resource document for students in grades 5-8 that educators will be able to easily transition into their yearly plan. The resource will be driven from www.winnipegjets.com as an optional opportunity for educators in the Province of Manitoba to begin the conversation around Positive Mental Health Coping Skills.

Project 11 has been developed to honour the wishes of, Rick Rypien, who was a valuable member of the Manitoba Moose, Winnipeg Jets and TNSE. "Ryp" had a profound impact on our organization and brought the importance of positive mental health to be a focus for the WJTNF. Our goal through Project 11 is to help children develop positive coping skills to deal with the daily stressors of life.

CAMP MANITOU

Camp Manitou is a Summer Camp and Year Round Outdoor Recreation Facility operated by the Winnipeg Jets True North Foundation. The Camp Manitou property is a 28 acre oasis just outside of Winnipeg. With its forests, large grass playing field, and the Assiniboine River on three sides, the property provides lots of space in which to enjoy nature.

The Winnipeg Jets True North Foundation entered into a long term lease and operating agreement that resulted in the foundation assuming the operations of the Camp Manitou effective Jan. 2, 2014. Fewer and fewer children in the Province are attending Camp, the goal for Camp Manitou is to make it an accessible outdoor education opportunity for as many children in the Province of Manitoba as possible.

WINNIPEG JETS HOCKEY ACADEMY

The Winnipeg Jets Hockey Academy is creating waves of change and achievement for inner city children. The True North Foundation recognizes that challenges exist for many families to participate in the great game of hockey. As a response, the Hockey Academy was created (formerly under the name Little Moose Hockey Program) to provide children with the chance to play hockey while surrounded by their peers and positive role models. Participation barriers have been removed by providing programming staff, equipment, transportation, ice rentals, nutrition, and qualified on ice instruction to all academy participants.

By providing children with an opportunity to experience the positive benefits of hockey, the Foundation believes that they will have increased confidence to pursue their goals, on and off the ice. Hockey Academy helps encourage academic achievement and increase children's sense of belonging within their school community.

The Winnipeg Jets Hockey Academy has grown this season to include 18 schools from the divisions of St. James-Assiniboia, Winnipeg One, River East Transcona. This partnership has grown to include over 600 student athletes in the Hockey Academy program this season.

The Hockey Academy has also partnered with local businesses and organizations who have provided many volunteers and hours of service to the program. Those local groups include Price Industries, Investors Group, Princess Auto, Maple Leaf Construction, Birchwood Automotive Group, Winnipeg Police Services, Skybridge, RBC, National Leasing, New Flyer, and True North Sports & Entertainment.

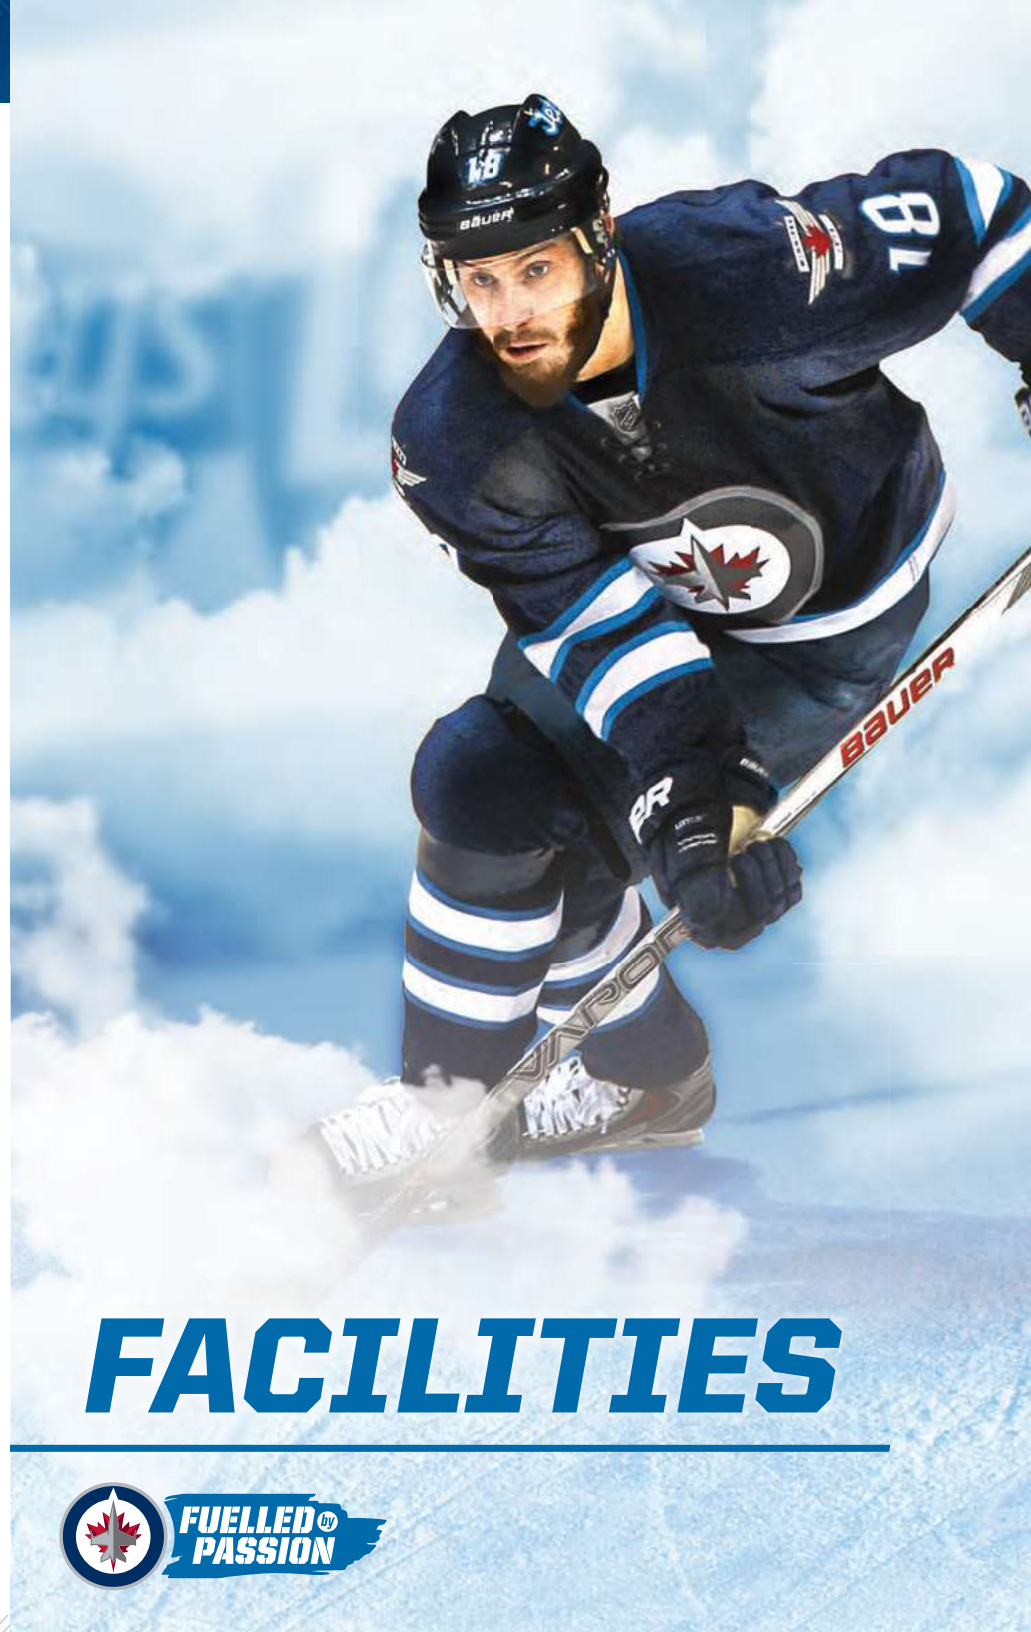
COMMITMENT TO THE COMMUNITY

The Winnipeg Jets Hockey Club is excited about the opportunity to put forward the continued emphasis on community initiatives that True North Sports & Entertainment has been able to sustain in Winnipeg for 19 hockey seasons, first with the Manitoba Moose and now with the Jets. The Jets will be present in the community by visiting schools, local hospitals and health centres, through numerous player and team mascot appearances, and by maintaining an open and interactive relationship with the team's supportive and passionate fan base.

MICK E. MOOSE

Mick E. Moose has always been an important member of the family at True North Sports & Entertainment. Arriving in Winnipeg along with the Manitoba Moose in 1997, Mick E. has helped bring excitement to live hockey games and community events for 19 seasons.

Mick E. remains a popular addition to the game day experience at MTS Centre and makes over 120 appearances every year throughout the province of Manitoba.



FACILITIES

FUELLED by PASSION

MTS CENTRE

As one of the modern jewels of downtown Winnipeg, MTS Centre stands as a testament to the perseverance and vision of a handful of men and women who wanted to bring Winnipeg to the forefront of the sports and entertainment industry. That handful of people began in 1996 with a concept in their heads and a drive in their hearts which developed that concept into the dynamic and successful True North Sports & Entertainment Limited.

True North's mandate was to develop, finance, and operate a new 15,000-seat multi-purpose sports and entertainment facility. The original mandate involved the Manitoba Moose as the primary tenant of the facility, but MTS Centre has since evolved into the current home of the Winnipeg Jets. Despite a variety of challenges during the developing stages of MTS Centre, all of which are typical with a project of this magnitude, the building was completed on time and on budget in the fall of 2004. Since opening its doors nearly 10 years ago, MTS Centre has acted as a major catalyst in the redevelopment of downtown Winnipeg.

As True North's marquee entertainment facility, MTS Centre boasts excellent sightlines from every seat, superb acoustics for concerts, and the best ambience and amenities for sports of all kinds, including hockey, basketball, curling, lacrosse, and indoor soccer. Along with professional hockey and concerts, MTS Centre has hosted such events as an NBA exhibition game, professional bull-riding, Monster Jam, professional wrestling, and professional indoor soccer exhibitions, among others. Winnipeg's busiest entertainment venue can accommodate up to 17,000 concert-goers and can just as easily be curtained down to create an intimate concert setting for audiences as small as 2,500.

MTS CENTRE UPGRADES

True North strives to offer fans the best possible experience at MTS Centre, and so the building continually undergoes updates and renovations to improve fan experience. A brand new, HD scoreboard and ribbon boards will be hung at centre ice for the 2015-16 season. Each of the four sides of the new scoreboard is over 380 square feet and will allow fans to interact with replays, promotions and in-game videos in a whole new way.

Paul Edmonds begins his second season as the radio play-by-play announcer of the Winnipeg Jets on TSN 1290. Edmonds, born and raised in Winnipeg, MB, had previously spent 19 baseball seasons as the radio voice of the Winnipeg Goldeyes, broadcasting over 1,700 games. During that time he was recognized as the top minor league baseball broadcaster in North America by BallparkDigest.com in 2008 and inducted into the Manitoba Sportswriters and Sportscasters Media Roll of Honour in 2013.

Edmonds' background in hockey broadcasting includes four seasons in the Western Hockey League from 1991-1995, calling games for the Swift Current Broncos and Regina Pats. He also served as play-by-play announcer in the now defunct West Coast Hockey League between 1998 and 2001 and provided colour commentary during Manitoba Moose broadcasts for nearly four seasons in the 1990s. Most recently, he served as play-by-play announcer for three seasons with the Manitoba Junior Hockey League's Selkirk Steelers. Edmonds contributed to TSN 1290's Winnipeg Jets broadcasts during three seasons, from 2011-2014 and made his first appearance calling play-by-play for the Jets in 2013-14.

Edmonds and his wife, Tanis, reside in St. Andrews, MB, with their three children.

SHANE HNIDY
COLOR ANALYST, TSN3/TSN 1290 Winnipeg

Former NHL defenceman Shane Hnidy returns to TSN 1290 and TSN3 as a colour analyst for all Jets games this season.

Hnidy expanded his broadcast role by covering the IIHF World Championships and 2013 IIHF World Juniors for both TSN 1290 and TSN.

An 11-year veteran who played 550 NHL games with six teams, Hnidy won a Stanley Cup in his final season as a pro with the Boston Bruins in 2011.

The Neepawa, MB product played junior hockey with the Swift Current Broncos and Prince Albert Raiders of the WHL. He was drafted in the seventh round (173rd overall) in the 1994 NHL Entry Draft by the Buffalo Sabres, although he played no games for the team.

After turning professional in 1996, he played for Saint John's of the AHL, Grand Rapids of the IHL, Cincinnati and Adirondack of the AHL before being traded to the Ottawa Senators in 2000 where he established his NHL career.

Prior to Boston, Hnidy had NHL stops in Anaheim (2001), Nashville (2001-2004), and Atlanta (2005-2008).

TRUE NORTH SPORTS & ENTERTAINMENT MEDIA POLICY STATEMENT

TNSE expects all members of the media to act honestly and with integrity, to engage in factual and accurate reporting and to comply at all times with the policies and procedures set out in these guidelines or otherwise communicated by the Jets communications department. Members of the media should be aware they will be held to the same standards of conduct whether providing services for accredited organizations, acting individually, or on behalf of unaccredited organizations, performing services for traditional media outlets or emerging media outlets and social networks.

TNSE RESERVES THE RIGHT TO ENFORCE THESE MEDIA GUIDELINES BY REVOKING CREDENTIALS OR OTHERWISE RESTRICTING AND/OR DENYING ACCESS TO ANY PERSON TO MTS CENTRE EITHER TEMPORARILY OR PERMANENTLY.

- Stock, general still and video images, including those taken by cell phones or PDA's, are not permitted in the dressing and workout rooms at any time, e.g., you cannot stand at the entrance to pan the room, take stock and general images of players or the room with any device without the permission of the Winnipeg Jets communications department.
- All video must adhere to the NHL's broadcast policies. Material may only be used for editorial purposes.

MEDIA SERVICES

The following services are provided to all accredited media members:

- Game notes and lineup sheets are available by 9:00 a.m. on game days.
- Between-period game summaries and out-of-town scores WILL NOT be distributed in the press box. They are, however, available online at www.nhl.com.
- Final game sheets will be available in the press box and in Matt Frost Media Centre following the game.
- Closed circuit television monitors with instant replay are situated throughout the press box.

ACCREDITATION

Season Passes
Winnipeg Jets media season passes are issued to print, radio and television media members who cover the Winnipeg Jets, at both practices and games, on a regular day-to-day basis as part of their work requirements. Please note that your season pass is HOCKEY ONLY and is not valid for any non-hockey event at MTS Centre. The pass will be valid for entry to Manitoba Moose games.

Single Game Passes
Winnipeg Jets media passes will be issued on a game-by-game basis to media members from accredited newspapers, magazines, wire services and electronic media outlets requesting a single-game media pass. Freelance writers will NOT be granted credentials without a letter of support from an accredited medium. Requests must be made in writing or by email on the stationary letterhead of the applying outlet or with an outlet signature attached to the email at least 24 hours prior to the game. Requests should be sent to Keegan Goodrich by e-mail to kgoodrich@winnipegjets.com.

Special Notes
Once again, we will NOT accommodate individual websites and bloggers with any type of credentials unless they are directly affiliated with a legitimate news gathering agency. This will once again be strictly enforced this season.

The media is reminded press box seating is reserved for working members of media covering a particular game or series of games. Media passes must be displayed at all times and bear the individual's name and affiliation and, in all cases, are non-transferable. Any unauthorized use will subject the bearer to ejection from MTS Centre and forfeit of credentials. Please see back of the game pass for team and League policies.

Due to the professional working environment of the press box all members of the media are requested to abide by a "working/business" dress code. Jeans are not recommended.

ACCESS AND AVAILABILITY

Regular Season Practice Access
Winnipeg Jets standard practice time will be 11:00 a.m. and game day skates will typically be 10:30 a.m. Please note practice times may vary. We will make every effort to inform you in the event of a schedule change.

The dressing room will remain closed before and during practice. When the dressing room door is locked, access is not permitted.

Access to the dressing room will be granted following practice per NHL regulations: Five minutes following the first group of players (who participated in the full practice) leaving the ice. The room will remain open for no less than 30 minutes.

Media access is allowed ONLY in the main dressing room and front hallway near the Equipment Managers Office. The players' lounge, medical room, and workout room located past the blue doors are strictly OFF-LIMITS to media.

Media access to both the home and the visitor's player bench is strictly prohibited during practice.

Player interviews will be conducted in the main dressing room area only so as to avoid traffic in the hallways outside the room. If a player is not present in the main room, please contact a member of the Jets communications department who will make their best effort to make the player available.

Head coach Paul Maurice will be available to the media in a press conference setting in the Matt Frost Media Centre within 25 minutes of the conclusion of practice. Individual interview (one-on-one) requests will only be granted in special circumstances and on advance notice.

Gameday and Post-Game
Prior to a game, players will be available upon request to the media for interviews for a 30-minute period up to 90 minutes prior to game time. Preferably, media interviews should be conducted following the morning practice.

Requests for players/coaches for broadcast pre-tape interviews must be made to the Jets communications department before 11:00 a.m. on game day and will be conducted before 5:30 p.m. (for a 7:00 p.m. start time). In the case of "walk-off" interviews, please provide AT LEAST TWO OPTIONS to the Jets communications department with at least two minutes remaining in the period.

The dressing room will be open to media between five and 10 minutes after the game. Player interviews will once again be conducted in the main dressing room only.

Head coach Paul Maurice will be available to the media in a press conference setting in the Matt Frost Media Centre within 20 minutes of the conclusion of the game. The dressing room will remain open during the coach's press conference.

MEDIA WEBSITE

The Winnipeg Jets communications department maintains a media-only section of their website that contains a daily Jets-related clippings package, press releases, game notes, player and coach transcripts and sound files, practice schedules, team media guides, and other relevant media information. Questions regarding the website can be directed towards Keegan Goodrich at kgoodrich@winnipegjets.com.

Please remember details on the media information line are subject to change at any time.

VIDEO & AUDIO RECORDING POLICY

• Winnipeg Jets video and audio related content is defined as, but not limited to; interviews, news conferences, practices, and community related events. Games fall under the NHL's broadcast policies.

• Content does not extend to the use of editorial text on the internet or text alerts sent to PDA's or cell phones.

• Up to 60 seconds maximum per day of video and audio may be used on the Internet by news organizations credentialed by the Jets.

• An additional 60 seconds of game highlights may also be used for up to 24 hours following the conclusion of a game.

• No video or audio may be streamed live without the expressed permission of the Winnipeg Jets Hockey Club.

• All material must link back to the team website (example: "For more information, go to www.winnipegjets.com"). www.winnipegjets.com is permitted to link to such posted material.

• All video and audio content is restricted to use on media websites and may not be "pushed" to other platforms (including but not limited to cell phones).

• Video and audio content cannot be marketed or sold on a subscription basis.

• Video and audio content may be used only in editorial context (such as in links that illustrate stories or in multimedia news sections) and may not be featured in stand-alone multimedia entertainment sections of third-party websites.

• Video and audio content must adhere to the NHL's broadcast policies.

• There is to be no sponsorship or advertising associated with or connected to the content. Footage may appear with banners and contextual ads, but the ads may not be specifically related to Jets content.

• There is no limitation on "talking head" video or audio of reporters at Jets facilities that does not include team/interview/press conference content.

• Reporters and photographers using a still camera or mini-cam for video purposes must inform the player or coach and inform the Jets communications department beforehand.

***** Live recording (IE: Periscope/Meerkat etc.) is not permitted inside the Jets dressing room.*****

PLAYER'S PERSONAL PHONE NUMBERS & AUTOGRAPHS

At no time will players' home or cell phone numbers be released to either the media or the public unless the player specifically authorizes such release. Members of the media attempting to reach players must do so through a member of the Jets communications department.

Media attending Jets practices or games are strictly forbidden from requesting autographs. The locker room area is for working media only. Any person in the locker room with a media pass observed asking players for autographs will be asked to leave the premises.

MEDIA PARKING

MTS Centre is unable to provide complimentary parking to members of the media. Media personnel are encouraged to use parking lots around MTS Centre during games.

MEDIA ENTRANCE

All media must access MTS Centre for Winnipeg Jets practices AND games through Gate 4 located at the northwest corner of the building (corner of Portage & Hargrave). Please check in at the media credential station located inside Gate 4.

After checking in for practices, media can proceed to the arena bowl to access the Matt Frost Media Centre at event level. After checking in for games, media are asked to proceed to either the event level to the Matt Frost Media Centre or can access the press box elevators at the northwest corner of MTS Centre by turning left at the bottom of the stairs and proceeding down the hallway.

DRESSING ROOMS

The dressing rooms for both the home and visiting teams are located at event level of MTS Centre. The Jets dressing room is on the west side of the facility while the visiting dressing room is on the south end of the building. Once again this season, we would ask media to avoid passing through the loading dock as much as possible to access the locker rooms due to an increase in vehicle traffic and television production personnel.

MATT FROST MEDIA CENTRE

The Matt Frost Media Centre is the work room and press conference room located in the northwest event level corner of MTS Centre. It is equipped with an ISDN, internet, and phone lines. There are reserved work spaces available, along with temporary work spaces available for media. Please honour the reserved work areas. News releases, game notes, and statistical packages are available each day in the Matt Frost Media Centre. The elevator to the press box is located just north down the hallway.

PRESS BOX

The following services are provided to all accredited media members:
1. Game notes and lineup sheets are available by 9:00 a.m. on game days.
2. Between-period game summaries and out-of-town scores will not be distributed in the press box. They are, however, available online at www.nhl.com.
3. Final game sheets will be available in the press box and in Matt Frost Media Centre following the game.
4. Closed circuit television monitors with instant replay are situated throughout the press box.

PRESS MEAL

A media meal is available for purchase on game nights in the new media lounge located at the press box level at a cost of $12/person. Media are asked to refrain from consuming these meals at their work stations in the press box area. Complimentary soft drinks, coffee, and water are available to everyone in the press box. Media are also invited to purchase food from the various concessions located on the public concourses at MTS Centre. Alcoholic beverages are prohibited in the press box for members of the media.

PHOTOGRAPHER GUIDELINES

Photographers on assignment from accredited newspapers, magazines and wire services may apply for single game photo passes by emailing Keegan Goodrich at kgoodrich@winnipegjets.com at least 24 hours prior to the game they are assigned to shoot.

Due to limited shooting positions, locations will be assigned to photographers for each game. All photographers must report to the Matt Frost Media Centre 45 minutes prior to the start of the game to receive their posted shooting locations. Photographers are asked to shoot from those locations throughout the entire game. If spots are available, one outlet may receive more than one location during a game. Please contact team photographer Jonathan Kozub if you request to trade spots during the game.

For the 2015-16 season, we regret we will be unable to accommodate any freelance photographers not affiliated with a legitimate news gathering agency.

Photographers must request access to the Jets dressing and workout rooms for a specific assignment. Access will only be granted for direct and specifically requested player interviews or 'events' such as a photo of a new goaltender mask, milestone goal, etc.
